

Essay Prompts on Friendship

“The Complexity of Friendship”

Consider how factors such as loyalty, betrayal, social class, or personal growth shape these friendships.

“Friendship and Moral Development”

Discuss how a particular friendship contributes to the protagonist’s development.

“Friendship Across Boundaries”

Analyze how a relationship challenges societal norms and what it reveals about the characters involved.

“The Role of Friendship in Times of Crisis”

Discuss how friendship functions during moments of crisis or conflict. How does it support, complicate, or even endanger the characters involved?
