General Discussion Questions on Youth Culture

In what ways do young characters in the text challenge societal norms?

What motivates their resistance or rebellion? Are their actions justified or problematic?

How does the generational gap appear in the story?

What conflicts arise between young characters and older generations? How are these conflicts resolved, if at all?

How does peer pressure shape the behavior of young characters?

Are there moments where a character's choices are clearly influenced by their social group?

What role does identity play in the lives of the young characters?

How are they trying to find or define themselves? What challenges do they face in doing so?

How does the author use setting to reflect youth culture?

Is the environment urban, suburban, rural? How does the setting shape the characters' experiences?
