

Essay Prompts on Prejudice

The Roots of Prejudice

Discuss how a work of literature explores the social, cultural, or psychological roots of prejudice. How does the author show where bias originates?

Prejudice and Power

In what ways does prejudice maintain or reinforce existing power structures in the story?

The Evolution of Prejudice

Analyze how prejudice changes or persists throughout a character's journey. Does the narrative suggest that prejudice can be overcome?

The Cost of Prejudice

Explore the consequences of prejudice on individuals and communities in the work. What message does the author convey about its damage?
