

Essay Prompts on Friendship

Friendship as a Moral Compass:

Discuss how friendship serves as a moral anchor for a protagonist choice.

Friendship and Identity:

How do friendships help shape a character's identity, values, or sense of belonging?

The Absence of Friendship:

Sometimes, the lack of true companionship is just as revealing as its presence. How does the absence of friendship affect a character's downfall?

Friendship vs. Society:

Explore how friendships often challenge social, cultural, or class boundaries.
