

Essay Prompts on Individualism

The Conflict Between Self and Society

Discuss how a protagonist's struggle for individual identity challenges or reinforces societal norms in a literary work of your choice.

Individualism as Rebellion

Examine how a literary character's assertion of individuality functions as an act of rebellion against authority, tradition, or oppression.

The Price of Individualism

In many works, pursuing individuality comes at a personal cost. Analyze a text where the pursuit of selfhood leads to isolation, alienation, or tragedy.

Gender and Individualism

Explore how female characters in literature express or are denied individual autonomy compared to their male counterparts.
