

## Essay Prompts on Rebellion

### **"Rebellion as a Path to Identity":**

Analyze how a character's rebellion against societal or familial expectations helps them discover or assert their identity in a work of literature.

### **"The Morality of Rebellion":**

Discuss whether the character's rebellion is portrayed as justified or unjustified, and how the author uses this portrayal to comment on morality or ethics.

### **"Rebellion and Consequences":**

Explore how an act of rebellion drives the plot in a novel, play, or poem. What are the consequences of the rebellion for the individual and the society they inhabit?

### **"The Role of Setting in Rebellion":**

Examine how the setting of a literary work contributes to the development or necessity of a character's rebellion. Does the environment provoke or suppress rebellion?
