

## Essay Prompts on Survival

### **Moral and Ethical Survival**

How do extreme circumstances test a character's moral compass? Discuss how survival can conflict with ethics and societal norms.

### **Survival and Society**

How does literature show that survival is influenced not just by nature, but by society, culture, and human relationships?

### **Survival as Transformation**

How does surviving extreme adversity change a character? Explore how literature portrays survival as a catalyst for growth, loss, or revelation.

### **Physical vs. Spiritual Survival**

Examine how literature differentiates between surviving physically and surviving emotionally or spiritually. Can a character truly survive if they lose their humanity?
